**Actual undue influence**, 488  
(Additional detail - See **Inter vivos undue influence**)

**Administrative powers and housekeeping provisions**. See **“Boiler-plate” provisions**

**Alter ego trust**  
(Related topics - See **Capacity to make inter vivos wealth transfers**)

- Capacity
  - Overarching capacity test, 621
  - To settle, 394
- Emptying estate
  - Avoiding probate, 532
  - Impact on later will, 124
  - Thwarting dependents, 532
- Income tax attributes, 532 fn
- Jurisdiction shopping, use for, 532 fn
- Undue influence, during settlement, 531

## Amendment

(Related topics - See **Codicils, Severing offending clauses from larger instruments**, and **Overarching capacity principles**)

- By court
  - Rectification, as form of relief, 468
  - Rectification compared to severance, 286
  - Severance, testamentary
    - Capacity, 131
    - Knowledge and approval, 280
    - Undue influence, 349
  - Variation, as form of relief, 287
- By maker, capacity to
  - Change by codicil, 175
  - Commission letter, medical assessment, 679
  - Other change, 617
  - Overarching test applicable, 617
  - Where change minor, 382

**Approval**. See **Knowledge and approval**

**Assessing capacity**, 651  
(Additional detail - See **Controlling for capacity during planning** and **Medical assessment**)

## Assets

(Related topics - See **Tracing and recovery of assets**)

- Capacity, power to recall assets
  - A summary, 49
  - Certain *inter vivos* gifts demanding better power to grasp assets
    - Gifts of largest asset, 378
    - Where asset minor, contrasted, 382
  - Certain wills demanding better power to grasp assets, 53
    - Different asset types for different heirs, 57
  - Large bequests eating at residue, 53

**Assets** — *continued*

- Complex asset structure, impact of, 55
- Element in *Banks v. Goodfellow* test, detailed, 49
- False belief that impecunious, 51
- Power of general understanding sufficient for capacity, 50
- Power to recall relaxed where gift minor, 123
  - Codicil, 179
  - *Inter vivos* gift, 382
- Recovered capacity, re-learning assets, 697
- Settling assets into trust, 391
- Intention to make *inter vivos* wealth transfers
  - Specific asset to be gifted, 438
  - Specific asset to be settled into trust (“certainty of subject matter”), 441
- Knowledge and approval, actual understanding of assets
  - Demanded by court in some circumstances, 274
    - Gift of residue, 266
    - Specific bequests, 268
  - Mental powers demanded to grasp explanation, 745
- Supervision by court, importing special rules to gifting, 407
- Trusts, certainty of subject matter, 441

**Attacking *inter vivos* wealth transfers**

- (Additional detail - See **Capacity to make *inter vivos* wealth transfers, Coercion, Delusions, Intention for *inter vivos* transfers, *Inter vivos* undue influence, Equitable fraud, Transactions violating policy of the law, Unconscionable bargain, and Unconscionable procurement**)
- Capacity, lack of, 355
  - Coercion, 312
  - Common law fraud, 608
  - Delusions, 374
  - Equitable attacks
    - Equitable fraud, 608
    - Transaction violating policy of the law, 610

- Unconscionable bargain, 545
- Unconscionable procurement, 569
- Undue influence, 471
  - By conduct, 488
  - By relationship, 498
- Intention, lack of, 415

**Attacking testamentary wealth transfers**

- (Additional detail - See **Delusions, Knowledge and approval, Testamentary capacity necessary for will, Testamentary dispositions other than wills, and Testamentary undue influence**)
- Capacity, lack of, 4
    - Delusions, 145
    - Disorders of the mind, 82
  - Knowledge and approval, lack of, 207
    - Doctrine of righteousness, 247
    - Language and literacy problems, 238
    - Mistake, 237
  - Undue influence, 301
    - Coercion, 306
    - Fraud, 318

**“Awakened moral sense”, concept of, 542**

(Related topics - See **Equitable challenges to wealth transfers**)

**B*****Banks v. Goodfellow***

- (Related topics - See **Capacity, Delusions, Overarching capacity principles, Testamentary capacity necessary for will, and Testamentary dispositions other than wills**)
- As leading case for testamentary capacity, 43
    - In Canada, 44
    - In England, 45
    - In New Zealand, 45
    - In Quebec, 44
  - Background
    - Historical details supplementing case report, 145 fn
    - Sir Alexander Cockburn, biographical detail, 4 fn
  - Imported into *inter vivos* determinations of capacity, 378

**Bannering will with notice of doubt**(Also see **Controlling for capacity during planning** and **Grey area execution**)

- Advance permission, 707
- Banner or notice evidencing doubt of capacity, 705
- Example of banner endorsed by doctor, 102
- Form of banner, 705
- Grey area execution where capacity in doubt, generally, 703
- Impact on affidavit of execution, 706
