

Securities-Canada Centre on Westlaw Business

Westlaw Business now has a single convenient destination for your Canada securities work. The Securities-Canada Centre on Westlaw Business combines SEDAR and related compliance research and document retrieval with Canada's leading collection of securities-related legislation, expert analysis, and comprehensive caselaw – all in a platform optimized for securities practice.

The Securities-Canada Centre provides a place where filings, law, and guidance all come together, with just what you need to research the law, draft documents, and monitor peers, clients, and competitors.

Securities-Canada Centre on Westlaw Business highlights

Searchable SEDAR content

- Conduct extremely focused research that will help pinpoint the information you need
- Easily access the documents you need by recognized SEDAR document types
- Ideal for issues-based precedent research on any accounting or corporate disclosure topic

SEDAR model documents

- Leverage filed agreements as market-standard precedents
- Use the document title, clause title, and defined term search fields to drill down to specifics of any SEDAR document
- Gain a competitive edge by accessing the most complete database in the industry

International Prospectuses and 144As

- Hard-to-find documents are accessible in one area via a powerful and easy-to-use database

Complete legislation and regulatory coverage

- Official publisher of the *Ontario Securities Commission Bulletin*, with coverage back to 1994, each entire issue available and fully searchable
- Alberta and British Columbia Securities Commissions summaries posted weekly, with archives back to 1999
- Regulatory materials from every province*
- Full text of all Canadian Securities Acts and Regulations, including Table of Concordance of all Canadian Securities Acts*

- Investment Industry Regulatory Organization of Canada (IIROC), Mutual Fund Dealers Association of Canada (MFDA) and IFI bylaws and regulations decisions and rulings*
- Securities Commissions rulings and decisions*
- Full text of all securities-related caselaw, including CCLS cites*

SEDI insider disclosure review

- Searchable insider information and summary reports

Expert analysis

- *Securities Law and Practice* by Borden Ladner Gervais LLP, Canada's leading securities analytical work*
- *Securities Currents*, written by a national team of leading securities practitioners, analyzes the latest securities issues across Canada to keep you on top of industry trends

Enhanced functionality

- Navigator search taxonomy with filings and agreement views
- Global Quick Search across all document types*
- Business Citator allows you to search relevant public and private company information

*Available June 2009

Westlaw Business: The destination for business law professionals.

The screenshot displays the Westlaw Business website interface for the Securities-Canada Centre. At the top, the Westlaw BUSINESS logo is on the left, and navigation links for CLIENT ID, PREFERENCES, SITE MAP, HELP, and SIGN OFF are on the right. The Thomson Reuters logo is also present. A blue navigation bar contains tabs for LIVEDGAR, Business Citator, Corporate Finance, M & A, Private Equity, Restructuring, and Securities. Below this, a sub-navigation bar includes Filings, Disclosures and Models, Tools, and a Need Assistance? link. The main content area is titled 'SECURITIES-CANADA CENTRE' and features a 'DID YOU KNOW?' section about Business Due Diligence. On the left, there are three search boxes: 'SECURITIES-CANADA NAVIGATOR' with a list of topics, 'GLOBAL QUICK SEARCH', and 'BUSINESS CITATOR' with a search by name or ticker option. Below these is an 'OSC' search box for the Ontario Securities Commission Bulletin. The main content area is divided into three sections: 'SECURITIES-CANADA CURRENTS' with links to newsletters, 'FILINGS, DISCLOSURES AND MODELS' with a list of document types like SEDAR, SEDI, and Model Documents, and 'OSC Perspectives - Current Issues'.
