

# **Triform Questionnaire Rules and Regulations**

The Triform Questionnaire (“TQ”) contest is sponsored by Carswell, a Thomson Reuters business (“C”).

## **ELIGIBILITY**

1. This Questionnaire is open only to legal residents of Canada, other than residents of the Province of Quebec, who are in their home province at the time of entry. Employees of C, and its affiliates, representatives, and 3rd party contractors/agencies involved in this questionnaire and associated contest, and persons with whom such employees are domiciled, are not eligible. The Prizing component of this Questionnaire is subject to all federal, provincial, and local laws and regulations, and is void where prohibited or restricted. The Contest is subject to all applicable federal, provincial, and municipal laws and regulations. By participating, entrants agree to abide by and be bound by these Official Contest Rules and to accept the decisions of C as final.

## **HOW TO ENTER**

### **NO PURCHASE NECESSARY**

2. To enter the Contest, complete all relevant and required fields and submit to C by mail, fax, or email by **December 19th, 2008**. The answers to the Questions are irrelevant for the purposes of entry into the Contest and do not increase your chance of winning. All entries and answers to the questions become the property of C and will not be returned. This contest will only be available in mail-in, fax, and e-mail formats. Any personal requests to alter contest conditions will not be accepted.

## **PRIZE**

3. Three winners will be randomly chosen from all eligible entries. The prize for each winner is a **\$50 AMEX gift card**. Prize must be accepted as awarded. No substitution of the prize is permitted except by sponsor in its sole discretion. Sponsor receives the right to substitute the prize with any other prize of equal value, if a prize cannot be awarded as described for any reason. Prizes are non-transferable and are not redeemable for cash or credit, in whole or in part.

## **WINNER NOTIFICATION & PRIZE AWARD**

4. A random draw will be conducted from all eligible entries received. To win the prize, the person whose name is selected must first answer a time-limited, skill-testing question from C, without assistance. Odds of winning depend on the number of eligible entries received. Selected entrant will be contacted by e-mail or telephone within seven (7) business days of the draws. Selected entrant will be required to provide proper identification before being named a winner. The entrant must return a signed Declaration and Release of liability and publicity form within the time period specified on the form, before being named a winner, failing which the Prize will be forfeited.

5. The Prize will be forfeited if the selected entrant can not be contacted within (7) business days of the draw. The initial contest draw (prior to the answering of the skill-testing question by the person whose name is drawn) will occur on **December 22nd, 2008**.

### **ADDITIONAL TERMS**

6. By participating, entrants agree to a) these Official Contest Rules and the decisions of C which are final in all respects; and b) release, indemnify and hold harmless C and its subsidiaries, affiliates, officers, directors, employees, agents, dealers, advertising and promotional agencies, and prize suppliers from all liability relating to the Contest and the acceptance or use, misuse, or possession of the Prize. C reserves the right, in its sole discretion, to disqualify any individual found to be tampering with the entry process or the operation of the sweepstakes, acting in violation of these rules, acting in an unsportsmanlike or disruptive manner or acting with intent to annoy, abuse, threaten, or harass any other person. Any use of robotic, automatic, programmed, or similar entry methods will void all entries submitted by such methods. Only the prize stated herein will be awarded. In the event any technical errors result in the apparent selection of more winners or award of more prizes than intended, C reserves the right to award the prizes by random drawing from among all eligible claimants (subject to an accurate answer to the skill-testing question).
7. C shall not be responsible for typographical errors in any Contest-related materials. All entries become the property of C, which assumes no responsibility for misdirected, incomplete, technical malfunction of any telephone network or lines, computer online systems, servers, access providers, computer equipment, software, failure of any entry to be received by C on account of technical problems, postage problems, or traffic congestion on the Internet or at any website, or any combination thereof. C reserves the right, in its sole discretion to modify, cancel or suspend this contest or these contest rules should a virus, bug, or other cause beyond the reasonable control of C corrupt the security or proper administration of the contest. Any attempt to deliberately damage or undermine the legitimate operation of this contest is a violation of criminal and civil laws, and should such an attempt be made, C reserves the right to seek remedies and damages to the fullest extent permitted by law, including criminal prosecution. Entries are subject to verification and will be declared invalid if they are illegible, mechanically reproduced, mutilated, forged, falsified, altered or tampered with in any way.
8. C is collecting personal data about entrants for the purposes of administering this Contest and for market research purposes. Personal data may be used by C in subsequent marketing campaigns. C will not share personal data with any other vendors. No further informational or marketing communications will be received by entrants unless entrants provide explicit permission as indicated on the entry form.
