FEATURE TITLE

ARCHBOLD: CRIMINAL PLEADING, EVIDENCE AND PRACTICE 2011

General Editor: James Richardson, Q.C.

Comprehensive coverage of the practice and procedure of the Crown Court is just one of the reasons why **Archbold: Criminal Pleading, Evidence and Practice** is the natural choice for those working in criminal law.

The 2011 edition is publishing in November, fully revised and updated with new legislation, case law, SIs, practice directions and guidelines by the team of expert editors.

Eight reasons to subscribe to **Archbold**

1. Your time is far too valuable to have it wasted searching for information. To that end, **Archbold** is divided into logical sections using a consistent set of headings and sub-headings. It includes thousands of cross-references and is fully indexed, lightening the burden of research.
2. It concentrates on what the law is, rather than what it ought to be, covering both substantive law and the practice and procedure of the Crown Court.
3. With over 180 years' authority informing every page, **Archbold** is the reference work to cite in court, adding weight and credibility to your arguments.
4. Separate chapters cover each indictable offence in depth, from forgery to murder, enhancing your understanding of the crimes relevant to your current cases.
5. We don't believe you want to wade through impenetrable text. To that end, **Archbold** is written in straightforward language and short paragraphs.
6. With single-volume paper and CD-ROM formats available, **Archbold** is both portable and easy to access, ensuring journeys to court don't become workouts.
7. Updated three times a year and supplemented by **Archbold News**, **Archbold** keeps you abreast of the latest developments in criminal law, from case law to new Statutory Instruments.
8. The service now includes the **Archbold** e-update which provides you with a weekly email containing the latest, relevant updates in crime. Cross-referenced through paragraph to the mainwork, the e-update will allow you to contextualise the information within **Archbold**. What's more, the content will be archived online so you have access to it anytime.

CONTENTS:

- The Indictment

AN INTRODUCTION TO ADVOCACY, 2ND EDITION

Lee Stuesser

An Introduction to Advocacy, 2nd Edition is a guide to the skills of advocacy for those new to the courtroom. It concentrates on the basics necessary to conduct an effective trial. The book takes you through the trial process step by step. At each stage the author provides helpful tips and practical examples designed to show the principles of good advocacy at work.

Geared toward conducting a trial before a judge alone, this book reflects the reality that most new practitioners will commence their courtroom careers in the lower courts. However, the principles of advocacy that are outlined will hold new counsel in good stead at all levels of the court hierarchy.

The second edition includes new chapters on:

- written submissions
- special witnesses
- making oral submissions
- introducing and using exhibits
- impeachment
- the ethics of advocacy.

Accessible, amusing and informative, **An Introduction to Advocacy, 2nd Edition** is the essential starting point for those about to step into court for the first time and those who make only occasional appearances.

CORPORATE COUNSEL'S ANTITRUST DESKBOOK, 2010-2011 EDITION

Publisher's Editorial Staff

This reference guide will help counsel refresh their memory about certain provisions of the antitrust laws. It provides readers with a basic understanding of antitrust law without all the extensive citations and complex discussion.

The following acts are covered, *The Sherman Act*, *The Robinson-Patman Act*, *The Federal Trade Commission Act*, and *The Clayton Act*, along with topics such as premerger notification, antitrust and intellectual property, the antitrust aspects of distribution, antitrust leniency and sentencing, antitrust and employment, and antitrust compliance programs.

- Includes discussion of both landmark cases and recent interpretations, providing an overview of how the law has developed
- Keep current on the major developments in antitrust law
- Provides in-depth discussion of the practical impact of the various antitrust statutes on businesses in today's economy

COUSINS: LAW OF MORTGAGES, 3RD EDITION

Edward Cousins; Ian Clarke

Cousins: Law of Mortgages is a comprehensive explanation of the law and practice concerning mortgages and related court proceedings. Every type of mortgage agreement is covered whilst detailing the rights and duties of the parties involved. The book examines the areas of dispute between mortgagors and mortgagees, setting out available remedies. It also describes the procedures for amending and transferring mortgages.

There have been substantial changes made in the conceptual framework of **Cousins: Law of Mortgages**, and a re-ordering of the textual format to assist exposition and to reflect the legal developments which have occurred since the previous edition.

The 3rd edition has been substantially updated with a re-ordering of the textual format to assist exposition and reflect the recent legal developments, Law of Mortgages:

- Ensures readers are up to date on the latest legal developments including:
 - *Bills of Sale Act*: Vos J's detailed analysis in *Chapman v Wilson* on the application of the Act to future property and the Court of Appeal's decision in *Online Catering Limited v Acton* concerning the Acts' application to companies
 - Limitation Periods: Court of Appeal's decisions in *Yorkshire Bank v Mulall* (2009) on limitation periods and charging orders and *Ashe v Nat West Bank* (2008) on delays in enforcement and adverse possession
- Includes a new chapter on Subrogation that explores in depth all the principles applicable to subrogation and mortgage including sub-subrogation and subrogation to the vendor's lien
- Gives a comprehensive analysis of the law affecting priorities post the *Land Registration Act 2002*, set against the context of the position under the *Land Registration Act 1925* and the previous position covering priorities between and affecting legal and equitable mortgages
- Provides a new chapter dealing with charging orders, the law and practicalities including consideration of recent cases such as *Close Invoice Finance v Pil* (2008), *Forrester Ketley & Co v Brent* (2009) and *National Westminster Bank plc v Rushmer* (2010)
- Contains expanded coverage of insolvency as it affects both mortgagors and mortgagee, the law concerning debentures and the regulation of family property
- Covers in great detail the *Consumer Credit Act* and the 2010 regulations, with particular focus on the new regime for unfair credit bargains and the Unfair Terms in Consumer Contracts regulations

DISABILITY DISCRIMINATION

IDS Employment Law Handbook

There are now in place detailed and complex provisions protecting disabled persons from discrimination in employment. These provisions, consolidated into the *Equality Act 2010*, are the focus of the new IDS Employment Law Handbook Disability Discrimination, which:

- Covers the legal definition of dismissal and deals with the various exclusions from the right to claim that exist
- Explains the potentially fair reasons for dismissal, e.g. conduct, capability and 'some other substantial reason'
- Tackles the central issue of unfairness in the statutory definition
- Sets out the grounds for automatically unfair dismissals and discusses the special rules that apply to such dismissals
- Investigates the remedies available in unfair dismissal cases
- Looks at the right of employees to receive a written statement of the reasons for dismissal

DRAFTING TRUSTS AND WILL TRUSTS, 10TH EDITION

A Modern Approach

James Kessler, QC; Leon Sartin

Drafting Trusts and Will Trusts explains the issues involved in drafting trusts and will trusts.

It offers an extensive selection of precedents to suit a wide range of trust requirements, and helps ensure practitioners can make the best tax planning judgments through the use of the correct trust.

The new 10th edition covers:

- Accumulations and *Perpetuities Act 2009*
- STEP provisions, 2nd edition
- *Finance Act 2009 & 2010*
- New chapter on Family Limited Partnerships
- Additional Will Precedents for married testators and a will precedent dealing with business of agricultural property which were added at the request of many users of the current and past editions

It also includes:

- Discussion of recent HMRC guidance on transferable NRBS and new IHT forms
- Review of recent case law including *HMRC v Clay* (deductibility from income of trustees' management expenses), *C v C* (whether interest in discretionary trust is financial resource on divorce), *Martin v Trigg* (negligence in will drafting and taxation of index linked element in nil rate band trusts), *Sammut v Manzi* (interpreted of "per stirpes" in clause in will)
- Discussion of impact for drafting of *Human Fertilisation and Embryology Act 2008*

ENFORCEMENT OF A JUDGMENT, 11TH EDITION

Claire Sandbrook

Providing step-by-step guidance on the entire enforcement process, from the preliminary steps through to final enforcement, the new 11th edition of *Enforcement of a Judgment*:

- Examines the various enforcement procedures available once a judgment has been made
- Looks at the different remedies available and provides guidance as to the appropriate remedy to choose
- Reproduces extracts from relevant legislation and examples of various court orders and forms
- Assesses the use of insolvency procedure and gives guidance on how to wind up a company, bankrupt an individual and deal with insolvent partnerships
- Covers enactment of the *Tribunals Courts and Enforcement Act 2007* and its implications, and the implementation timetable for new supporting Regulations
- Anticipates the impact of changes on the way judgments are enforced
- Discusses developments from ongoing case law, such as in the Charging Order and Order for Sale arena and in the area of foreign judgment enforcement

FEDERAL CIVIL RULES HANDBOOK, 2011 EDITION

Steven Baicker-McKee, John B. Corr, William M. Janssen

Following the e-discovery reforms of 2006, the 2007 Federal Civil Rules "restyling" project, and the e-government privacy amendments of 2007, the Time Computation Project retooled most of the rules' time periods, revising and supplementing the methods of time calculation. Effective December 1, 2010, Rules 8, 26, and 56 are amended, including new expert disclosure and discovery rules and a new federal Summary Judgment Rule. This handbook provides a guide to practice under these rules, discussing applications, limitations, and the traps. It also helps you recognize the changes to each rule and alerts you to changes likely to have substantive ramifications.

- Contains directories of federal courts and judges to keep you current
- Covers the timing and filing of motions and other litigation actions to reduce confusion
- Includes a summary of any restyling or substantive changes to a rule, effective December 1, 2007
- Includes appendix of forms to save preparation and administrative time
- Includes the federal rules of evidence, appellate procedure, and multidistrict litigation, and frequently used provisions of Title 28
- Provides a quick and easy, up-to-the-minute, one-stop reference tool
- Provides comprehensive commentary, including more than 1,000 citations to new interpretive cases each year, saving research time
- Provides expert discussion and practice tips, including practical applications, limitations, and traps to avoid

FLEMING'S THE LAW OF TORTS, 10TH EDITION

Carolyn Sappideen, Prue Vines

The Law of Torts by Professor John Fleming last published in 1998. It is distinguished throughout the world of tort scholarship as a work of enormous significance.

Major new developments include the impact of tort reform processes; the impact of human rights instruments on tort law; the contraction of liability, with the impact of civil liability legislation with its emphasis on personal autonomy; the new consumer law legislation; and the new uniform defamation code.

The key strength of **Fleming's The Law of Torts, 10th Edition** is its examination, and elucidation, of legal principle. This text is known for its distillation of the essence of tort legal principles and its critical evaluation of them. Professor Fleming had an unflinching belief that no legal system is superior to any other. He combed the corners of the common law and civil law world in the search for answers. The new edition continues John Fleming's breadth of vision.

The authors of the new edition preserve Professor Fleming's scholarship while contributing their own insight. The result is clearly outstanding. This new edition is the must-have resource for all practitioners and scholars of tort law within the common law jurisdictions.

THE IMPACT OF RECENT PATENT LAW CASES AND DEVELOPMENTS, 2011 EDITION: LEADING LAWYERS ON NAVIGATING CHANGING LEGAL STANDARDS, ANALYZING HIGH-PROFILE DECISIONS, AND DEVELOPING NEW CLIENT STRATEGIES (INSIDE THE MINDS)

Jonathan Ball, Frederick S. Frei, William Sloan Coats, John M. Jackson, Colleen M. Coyle, Steven J. Moore, Joshua M. Dalton, Lawrence T. Stanley Jr., R. David Donoghue, and Sean S. Wooden

This product provides key strategies for navigating high-profile patent decisions and implementing new strategies in response to recent developments. Featuring partners from some of the nation's leading law firms, this product guides the reader through some of the major issues the Federal Circuit and the Supreme Court have addressed over the past year, including false marking, inequitable conduct, declaratory judgment, patent eligibility, and damages. These top lawyers reveal their advice on analyzing key decisions, understanding the impact of these cases on certain businesses and industries, and updating techniques and strategies to better meet client needs.

INTERNET & E-COMMERCE LAW - TECHNOLOGY, LAW & POLICY 2ND EDITION

Fitzgerald Fitzgerald Clark Lim & Middleton

Internet & E-Commerce Law Technology Law & Policy has claimed a principal place as a leading text in this area for students and practitioners of law and business in Australia. The focus of this book is the regulatory framework of the internet and e-commerce. It considers how the law has developed in the context of rapid technological change and analyses how it is being applied to define rights and obligations in relation to the online infrastructure, content and practices.

Once again the new edition offers an extensive, detailed and current analysis of numerous key areas of internet and e-commerce law which have undergone significant change in recent years: copyright in digital content, patents for software and e-business methods, domain names and trademarks, electronic contracting, privacy, cybercrime, taxation of internet businesses, liability of internet intermediaries and regulation of online content.

Since the previous edition of the book much has developed in this area and the new edition takes account of this rapid pace of change. There are also new chapters on E-Health & Government as well E-Taxation issues.

Key Features

- Chapter overviews
- Action Exercises
- Review Section and Questions
- Tutorial and Essay Questions
- Glossary

MATRIMONIAL CONVEYANCING, 10TH EDITION

Stephen Harker

An essential reference covering all the procedures involved with conveyancing a former matrimonial home. The highly respected work provides expert information for both conveyancing practitioners and family law specialists, providing an easy, CD reference to forms and precedents that can be utilised and adapted to meet the particular situations.

The new 10th edition has been completely updated to reflect a raft of case law and legislative developments, **Matrimonial Conveyancing**:

- Updates all precedents and all related commentary through the Land Registration (Amendment) Rules 2008, which replaced all HMLR forms
- Includes the New Land Registration Fee Order which came into effect in July 2009 and directly impacts on all transactions
- Covers issues around joint ownership for unmarried couples in greater detail, in light of legal developments in cohabitation law, particularly following *Stack v Dowden*
- Reflects the evolution of Stamp Duty Land Tax
- Provides updated commentary on relief and mortgage debts

ROOK & WARD ON SEXUAL OFFENCES, 4TH EDITION

Law & Practice

His Honour Judge Peter Rook, QC; Robert Ward CBE

Rook & Ward is a practical and accessible work on sexual offences, with detailed coverage of both offences and procedure. It has a strong practitioner focus and includes detailed guidance on how to deal with problems encountered in practice.

The new 4th edition will cover a few more specialist areas such as:

- Historic cases
- Medical Evidence on child sex abuse
- The effects of the psychological trauma of sexual assault upon victims

- Trial of young defendants accused of sexual offences.
- Sexual offences in the Magistrates Court.
- How the *Sexual Offences Act 2003* relates to the Northern Ireland Articles stressing the points that are important for Northern Ireland

Rook & Ward:

- Defines the offence as set out in the relevant statute, providing historical context, detailing the mode of trial and punishment, bail conditions, alternative verdict (where applicable), sentencing specifically to that offence, parties to the offence, the marriage exception (where relevant), consent and mental element (ie intent)
- Provides practical and detailed advice on evidence, disclosure and sentencing
- Clarifies the difficult area of admissibility of previous sexual history evidence
- Explains how to present and test DNA evidence in court and provides an analysis of medical evidence issues by a forensic medical examiner
- Deals with the regime for vulnerable witness
- Explains the Sentencing Guidance Council's definitive guideline in respect of sentencing in sexual cases in April 2007
- Examines important developments in respect of evidential and sentencing provisions of the *Criminal Justice Act 2003* which have had far reaching consequences for anyone involved in the trial of sexual offences
- Revisits key definitions in the *Sexual Offences Act 2003* in light of important Court of Appeal decisions
- Uses flowcharts and checklists to aid practitioners

REMEDIES: COMMENTARY AND MATERIALS, 5TH EDITION

Michael Tilbury, Michael Gillooly, Elise Bant, Normann Witzleb

Remedies: Commentary and Materials, 5th Edition provides a comprehensive treatment of both judicial and non-judicial remedies at common law and in equity. Updated to reflect major developments since the previous edition, this edition provides extensive coverage of compensatory and other remedies. It considers these alongside an examination of the law relating to remedies for breach of contract, tortious wrongs and breach of equitable obligation.

Remedies: Commentary and Materials, 5th Edition has a new team of authors, who have critically reviewed and restructured the text significantly. Changes of note include:

- chapters on damages have been updated to reflect the restrictions brought about by Civil Liability Acts,
- the chapter on restitution has been expanded and more content on disgorgement included,
- proprietary relief has been placed into a separate chapter, and
- a new chapter dealing with declaratory relief has been added.

Academics, law students and legal practitioners will all find **Remedies: Commentary and Materials, 5th Edition** a valuable addition to their reference collections.

SHAREHOLDERS' RIGHTS, 6TH EDITION

Robin Hollington, QC

This new 6th edition of **Shareholders' Rights** provides guidance on the statutory remedies for the protection of minority shareholders.

It includes expert commentary on the articles of association, principles and nature of shareholders' agreements, the fiduciary duties of directors, and the restrictions on the power of shareholders.

Key changes to this new edition include:

- Significant updating to the chapter on directors' duties to take full account of the codification of existing law under the provisions of ss. 170-181 of CA06
- An extensive update to the derivative claims chapter to provide a comprehensive treatment of the impact and implications of ss.260-269 of CA06 which placed the common law derivative claim on a new statutory footing

Practice Area: Commercial

SNELL'S EQUITY, 32ND EDITION

General Editor: John McGhee, QC

The established authority on equity, Snell provides in-depth commentary and analysis of the law of equity and offers interpretation of how the different rules can be applied to property.

- Deals with equitable principles and remedies and their application in trusts, probate and mortgages
- Examines the nature of equity and the maxims of equity
- Offers expert interpretation of the rules of equity and how they can be applied in different situations
- Arranged by topics in which equity is used
- Goes through all new developments including the *Trustee Act 2000* and latest case law
- Discusses dealings with equity including assignments of choses in action, and priorities

- Analyses the five ancient equitable doctrines of conversion, reconversion, election, performance and satisfaction
- Assesses the situations in which equity has intervened to safeguard those who, by their status or their circumstances, are in need of protection
- Considers a wide range of equitable remedies

Practice Area: Estates/Trusts/Wills

SUCCESSION: COMMENTARY AND MATERIALS, 6TH EDITION

G L Certoma

Succession: Commentary and Materials, 6th Edition is a comprehensive collection of cases, statutes and other materials on the law of succession in New South Wales, linked together by analytical and insightful commentary.

This edition has been revisited throughout and deals with the basic provisions of the *Succession Act 2006* (NSW), which conforms to the national uniform approach to succession law. It includes succinct extracts of the major cases dealing with the basic principles involved in the laws of succession

Succession: Commentary and Materials, 6th Edition continues to draw on the historical roots of the law of succession and applies those rules to the needs of the modern family. It has been written with students in mind, to be used in conjunction with Certoma's **The Law of Succession in New South Wales, 4th Edition**. It has a practical focus and is a thorough yet concise examination of the materials essential to the study and practise of succession law.

Practice Area: Estates/Trusts/Wills

TERRELL ON THE LAW OF PATENTS, 17TH EDITION

Richard Miller, QC; Guy Burkill, QC; His Honour Judge Birss, QC; Douglas Campbell

Terrell on the Law of Patents is the practitioners' guide to the law of patents and patent practice in the United Kingdom. First published in 1884, this work is now in its 17th edition. It has come to be the acknowledged leader in the field; the point of first reference on issues of substantive and procedural patent law. Your research is not complete without it. **Terrell** is regularly cited in the Patents Court, the PCC, and the higher courts.

Terrell on the Law of Patents:

- Provides clear explanations, detailed commentary, and comprehensive guidance on all aspects of UK patent law and litigation practice
- Incorporates important case law from the UK Courts at all levels, the UK and European Patent Offices, and the Appeal Boards
- Includes full consideration of the implications of the changes to Part 63 of the Civil Procedure Rules and related Practice Direction
- Contains relevant statutory material, fully up to date and annotated

New To This Edition

- Thoroughly revised and updated, with new or expanded discussion throughout of numerous current topics and recent developments in the law of patents
- New chapters dedicated to Entitlement, to Supplementary Protection Certificates, and to the "Person Skilled in the Art"
- Extensively expanded discussion of Validity issues, including major chapters now separately dedicated to Novelty, Obviousness, and Insufficiency
- Incorporates discussion of all significant recent case law including the House of Lords decisions in *Lundbeck v Generics* and *Conor v Angiotech*, and the EPO Enlarged Board cases G2/08 and G3/08

Practice Area: Intellectual Property

THEOBALD ON WILLS, 17TH EDITION

John Ross Martyn; Dr Mika Oldham; Alexander Learmonth; Charlotte Ford

The new edition of **Theobald on Wills** contains an unrivalled blend of academic comment and practical advice on the most recent case law, legislation both domestic and European, and authorities affecting all aspects of the law of Wills. Many recent developments are discussed in detail, including the following:

- The effect of the *Mental Capacity Act 2005* and recent caselaw on testamentary capacity
- Review of recent cases concerning want of knowledge and approval
- Recent European and domestic caselaw concerning choice of and conflicts of law
- Updated advice on and discussion of family provision
- Caselaw on the admission of extrinsic evidence as to construction
- Problems arising from and solutions to professional negligence in drafting and executing Wills
- The impact of the *Perpetuities and Accumulations Act 2009*
- An overview and full discussion of recent developments in the law relating to constructive trusts and proprietary estoppel
- The impact of the *Charities Act 2006* on charitable dispositions in Wills, and recent cases
- A fully updated section on the construction of Wills, including analysis of the Privy Council opinion in *Sammut v Manzi* regarding the effect of punctuation and subparagraphs on interpretation, and discussion of the possible effect of *The Human Rights Act*.

The authors have included cross-references where appropriate to the publisher's looseleaf service **Practical Will Precedents, to Drafting Trusts and Will Trusts** by James Kessler, and to **Brighthouse's Precedents of Wills**. The text is therefore both academically rigorous and practically illuminating.

TOURISM, TRAVEL & HOSPITALITY LAW, 2ND EDITION

Trevor Atherton and Trudie Atherton

This long anticipated 2nd edition of **Tourism, Travel and Hospitality Law** provides a comprehensive coverage of relevant law from a practical, authentic industry perspective. Central principles are traced from their historical beginnings through to current policy issues and international conventions.

Key features include:

- Each chapter identifies the relevant Commonwealth, State and Territory legislation
- Key cases and domestic legislative provisions are discussed
- The new Australian Consumer Law is also included
- Exercises are included in each chapter for practice in identifying and applying the principles covered
- Further research is encouraged by comprehensive footnotes and references
- **Tourism, Travel and Hospitality Law** by respected authors, Trevor and Trudie Atherton, is one of the best regarded and influential texts in this unique area of the law and is an indispensable reference for all those studying and working in the tourism, travel and hospitality industry.

STANDING ORDER/SUBSCRIPTION TERMS

Carswell offers a wide range of electronic and print products for legal, tax, and business professionals. Products distributed by, but not published by Carswell, fall within the terms and conditions of sale of the specific publisher.

ANNUAL AND PERIODICAL SUBSCRIPTIONS

Unless otherwise instructed at the time of the order, purchasers are automatically placed on subscription and automatically renewed and invoiced for subsequent subscription periods. A shipping and handling charge is included on the renewal invoices to cover costs involved in the delivery of the updates/parts over the subscription period.

BOUND BOOKS

Unless otherwise instructed at the time of the order, we place purchasers of bound books on **standing order** to automatically receive replacement annual or biennial editions and supplemental material. If a new annual or biennial edition is published **within 60 days** of purchasing the prior edition, the new edition is supplied at no charge. Customers have the option of requesting to be placed on **advise** status for notification when new editions are published. *This policy is limited to single copy purchases and does not apply to bulk copy orders.*

SUPPLEMENTED BOOKS/SERVICES

Purchasers are automatically placed on subscription for upkeep supplements. Supplements are invoiced as published – free if issued within 60 days of purchasing the supplemented book or service. Expansion volumes are invoiced as issued, regardless of the date the main work was purchased.

PAYMENT TERMS

All invoices are due and payable to Carswell within 30 days of the invoice date unless otherwise noted on the invoice or agreed to in writing. A late payment fee of 1.5% per month is charged on all invoices beyond terms. You may pay by major credit card, cheque or money order.

If you require general information regarding a missing or damaged shipment, the status of an order/subscription or the cost of reinstating a cancelled subscription, please call Customer Relations (Monday to Friday 8:30 a.m. to 5:30 p.m. Eastern Time) at the numbers listed.

Prices are stated in Canadian funds. Customers outside Canada will be invoiced in equivalent U.S. funds. Prices subject to change without notice and subject to applicable taxes. Shipping and handling are extra.
