POINT. CLICK. ANSWERS.

Need help staying up-to-date on the latest developments in Human Resources?

Stay aware and current on trends and research related to HR issues with our current awareness tools. Access the most recent and relevant Canadian-focused news that affect HR with articles and newsletters.

Are you looking for the latest case law, legislation, and commentary references?

Get searchable legislation, access case law collections sorted by topic, along with plain language interpretations by experts with our reference tools. Our resources are supported by an unparalleled depth of legislative and case law information, supported by Thomson Carswell and Editions Yvon Blais' years of experience as Canada's leading legal publishers.

Are you overburdened with menial administrative tasks?

Accelerate HR efficiency with a suite of Workflow Tools including customizable policies, procedures, templates, checklists, and letters that reduce your administrative burden.

How do you measure and manage performance?

Gain access to metrics and benchmarking indicators in an easy way with our intuitive Performance Management tools. Ensure that your company measures up to the levels that you want.

Simplify your workflow with ConsultCARSWELL and La référence RH

Unlock the Power of HR

www.consultcarswell.com

ConsultCARSWELL is an innovative online information source that makes your work life easier.

COMPLY WITH THE LAW AND REDUCE RISK

Understand what employment laws apply across jurisdictions and learn how to apply and use them to defend specific cases.

STAY AWARE AND CURRENT

Be the first to know about the latest changes in legislative reform, enforcement, new best practices trends and research, or economic stats and figures.

LEARN FROM THE BEST

Get exclusive access to content from the best-selling Thomson Carswell **HR Best Practices Collection**, the **ONLY** best practices information endorsed by the Human Resources Professionals Association (HRPA).

GET INSTANT ANSWERS

Whether you want to enhance your skills, get a fresh perspective on issues and trends, review key employment law provisions, or find proven best practices solutions – we've got you covered with broad, in-depth coverage of 18 HR subject areas.

BUILD HR DOCUMENTS EASILY

Reduce your administrative time by using the innovative Document Builder to create and amend policies, contracts, and letters quickly and efficiently.

Being efficient is easy

www.lareferencerh.com

La référence RH gives you online access to all the tools and resources you need to effectively optimize your HR department. Its powerful search engine integrates three complementary and interrelated databases, including Commentary, Case law, and Legislation.

RESEARCH ALL DATABASES

This screen allows you to conduct a search on a specific subject among the three databases simultaneously. It provides a complete portrait of the subject from a legislative, jurisprudential, and doctrinal point of view from a single search.

CASE LAW AND COMMENTARY REFERENCES

Simply click on a button to find all case law and commentaries quoting the document you are currently viewing.

EN BREF NEWSLETTER

This bi-monthly electronic newsletter gives you the experts' point of view on the latest case law, comments on issues in employment law and summarizes the legislative changes.

E-MAIL NOTIFICATION WITH PRIMEUR

Stay current on trends and issues related to HR with weekly updates from Primeur. Select the specific subjects that are relevant for you and receive, once a week by e-mail, notification of the new summaries that have been uploaded on La référence RH. You can also get updates of new articles and legislative changes of interest to you.
