WHAT'S NEW

- Two new chapters are included in this edition
- Competition law covers Private law High Court claims such as breach of statutory duty; Follow-on claims in the Competition Appeal Tribunal; Follow-on claims in the Competition Appeal Tribunal; Appeals and review in the Competition Appeal Tribunal

GOFF & JONES: THE LAW OF UNJUST ENRICHMENT, 8TH EDITION

(Formerly The Law of Restitution)

Professor Gareth Jones

Goff & Jones: The Law of Unjust Enrichment is the most eminent and authoritative text on the theory and practical application of the law of unjust enrichment. It examines the underlying principles of unjust enrichment and explains the various ways a right to restitution can arise as a response to claims in unjust enrichment.

The new edition has been thoroughly reorganized and substantially rewritten by an esteemed new author team (following the retirement of Gareth Jones) to bring the law of unjust enrichment fully up to date.

- Covers the principal ingredients of a claim in unjust enrichment – that the claimant has been enriched, at the claimant's expense, in circumstances that the law deems unjust
- Covers defences to claims in unjust enrichment
- Covers the subsidiarity of claims in unjust enrichment to other parts of the law such as legislation and contracts that generate justifying grounds for a defendant's enrichment
- Covers personal and proprietary remedies for successful claimants
- Shows how the principles have been applied by the courts through detailed analysis of case law
- Considers the implications of recent case law, including important House of Lords, Supreme Court, and Court of Appeal decisions since the previous edition
- Discusses the academic literature which has become increasingly influential in this area
- Provides authoritative guidance frequently cited in court

CONFLICTS OF INTEREST, 4TH EDITION

Charles Hollander, Q.C. and Simon Salzedo, Q.C.

Conflicts of Interest provides authoritative guidance on the law relating to conflict of interest in all its dimensions, from client conflict and personal conflict to commercial and judicial conflict.

The new 4th edition:

- Offers expanded coverage of judicial conflicts in response to a variety and frequency of modern-day judicial challenges
- Includes a new chapter on arbitration conflicts – covering the increasing issue that arbitrators and barristers may practise from the same chambers, and increasingly appear as judge and advocate in the same case
- Updates coverage for chapters on fiduciary duties and litigating conflicts
- Includes the new code of conduct from the Solicitors' Regulation Authority

This edition also offers a selection of new case law, including:

- *BAA v. Competition Commission*
- *Helow v. Secretary of State for the Home Department*
- *Khan v. R* and *KC v. R.*
- *Porter v. Magill*
- *Virgin Media Communications v. BSKyB*, where the Court of Appeal had frustratingly announced their decision but not their reasons at the time the last edition went to press (and the reasons turned out a little different from what had been anticipated)
- *Bloomsbury v. Holyoake* (insolvency practitioners conflicted as a result of firm's retainer to a person the administrators sued); *Meat Corp. of Namibia v. Dawn Meats* (expert witness conflict); and from abroad, *PCCW HK Telephone v. Aitken* (Hong Kong CFA, applicability of Bolckiah test in other spheres)
- *Radisich v. Templeton* (duty to the other side in New Zealand)

FEDERAL CIVIL RULES HANDBOOK, 2012 EDITION

Steven Baicker-McKee, John B. Corr
and William M. Janssen

Following the important e-discovery reforms of 2006 and the sweeping Restyling Project of 2007, the Time Computation Project of 2009 has retooled most of the rules' deadlines for certain actions. This handbook provides a comprehensive guide to practice under these rules.

An expanded treatment is given to the important rules governing e-discovery. The book dissects each of the civil rules and their practical applications and limitations, and discusses traps to avoid. The handbook helps you to recognize and understand the changes to each rule and alerts you to those changes that are likely to have substantive ramifications beyond mere stylistic improvement.

- Contains directories of federal courts and judges to keep you current
- Covers the 2009 Time Computation project, which revises every time period set in the Federal Rules of Civil Procedure
- Covers the timing and filing of motions and other litigation actions to reduce confusion
- Includes a summary of any restyling or substantive changes to a rule, effective December 1, 2007
- Includes an appendix of forms to save preparation and administrative time
- Provides a quick-and-easy, up-to-the-minute, one-stop reference tool
- Provides comprehensive commentary, including more than 1,000 citations to new interpretive cases each year, saving research time
- Provides expert discussion and practice tips, including practical applications, limitations, and traps to avoid

CRIMINAL LAW AND OFFENCES

ARCHBOLD: CRIMINAL PLEADING, EVIDENCE AND PRACTICE 2012

General Editor: James Richardson, Q.C.

Comprehensive coverage of the practice and procedure of the Crown Court is just one of the reasons why **Archbold** is the best choice for those working in criminal law. The 2012 edition is fully revised and updated with new legislation, case law, SIs, practice directions and guidelines by the team of expert editors.

Here are just a few reasons why **Archbold** is the choice of your peers:

- **Archbold** is divided into logical sections using a consistent set of headings and sub-headings. It includes thousands of cross-references and is fully indexed, lightening the burden of research
- It concentrates on what the law is, rather than what it ought to be, covering both substantive law and the practice and procedure of the Crown Court
- With more than 180 years' authority informing every page, **Archbold** is the reference work to cite in court, adding weight and credibility to your arguments
- Separate chapters cover each indictable offence in depth, from forgery to murder, enhancing your understanding of the crimes relevant to your current cases
- **Archbold** is written in straightforward language and short paragraphs – not impenetrable text
- With single-volume paper and CD-ROM formats available, **Archbold** is both portable and easy to access
- Updated three times a year and supplemented by *Archbold Review*, **Archbold** keeps you abreast of the latest developments in criminal law, from case law to new SIs
- The service includes the Archbold eUpdate, a weekly email containing the latest relevant updates in crime. Cross-referenced through paragraph to the mainwork, the eUpdate allows you to contextualise the information within **Archbold** and is archived online so you can access it anytime.

and Daniel Montalvo

This detailed sourcebook contains explanations of how, where, and why to present specific types of petitions and applications under today's immigration laws. The book includes analysis of the current law to assist in determining the most effective method of proceeding with a case. It also covers recent changes that affect immigration practice and procedure.

- Coverage of rules governing the new non-immigrant categories created for family-based immigrants with pending permanent residence papers
- Creative alternatives to help expedite the entire immigration process
- Detailed treatment on the effect of the *Immigration Act of 1990* and recent policy changes and regulations
- Details of the INS' expedited processing program for business petitioners and the new Form I-907
- Discussion of rules governing the automatic acquisition of citizenship provisions for foreign-born children
- Interim instructions on allowing individuals who have filed for adjustment of status to change jobs or employers

- More than 70 sample forms illustrate the information needed for each type of immigration case
- Updated information from each of the Service Centers on expedited processing, status inquiries, and packaging of petitions/applications

INFORMATION TECHNOLOGY

ELECTRONIC INFORMATION AND THE LAW

Margaret Jackson and Marita Shelly

Electronic Information and the Law provides essential and practical guidance to the law relating to electronic information as it occurs in many different spheres of our work and community. In this innovative new work, the authors:

- Identify the different forms and categories of electronic information and interaction
- Discuss problems associated with these
- Outline the law that is relevant to those problems

Subjects usually treated in separate texts are brought together in this work to explore legal frameworks that exist for electronic information, how organizations handle information, how we communicate electronically, and e-government activities.

The publication is an excellent guide to have at hand, capturing the challenges and issues facing one's clients as they use electronic services in their day-to-lives. For both lawyers and non-legal professionals, particularly those working in IT and their managers, it provides an introduction to each issue, followed with analysis of legal risks and obligations and a discussion of key case law and legislation.

Readers can access consolidated guidance on the legal risks across a range of contexts, including:

- e-banking
- Electronic discovery
- Identity theft
- Copyright risks for ISP Providers
- Data protection
- Web accessibility
- Cross-border privacy challenges
- Privacy issues relating to electronic health records
