THE ULTIMATE CLASS ACT

NEW EDITION

PRACTITIONER'S INCOME TAX ACT 2011, 39TH EDITION

EDITOR: DAVID M. SHERMAN, LL.B., LL.M.

The top 5 reasons why tax professionals prefer the Practitioner's Income Tax Act – the most comprehensive tax encyclopedia on the market

1. The most detailed and comprehensive Notes on the market

Sherman's Notes list and summarize relevant case law and VIEWS documents (CRA rulings and interpretation letters). They also reference key articles and papers that discuss and interpret the provision.

2. Electronic Currency Updates

Standing order customers receive the twice-monthly *Tax Times eCurrency*, an e-mail that highlights income tax developments between editions of the Practitioner's Income Tax Act.

3. A thorough approach to Definitions Annotations

David Sherman includes every defined term in a provision in the Definitions annotation at the end of every section of the Act. This includes terms defined in the section, terms defined in s. 248, terms defined elsewhere in the Act, and terms defined in the *Interpretation Act*.

4. A Topical Index that includes entries not found in other publications

In addition to entries found in the Act, Sherman's Topical index also includes all the terms you use regularly, such as: Carryback and Carryforward, Dollar Amounts, Ordering, Short Taxation Year, Short Sale, and Vertical Amalgamations.

5. An author whose name is synonymous with income tax and GST

David Sherman, LL.B., LL.M. is the prolific author of many classic works, including *Canada GST Service*, *Practitioner's Goods and Services Tax Annotated*, *GST Case Notes*, *GST Times*, *GST Memoranda*, *Bulletins*, *Policies & Info Sheets*, and *The Lawyer's Guide to Income Tax and GST/HST* (all published by Carswell).

ACCOUNTING PROFESSIONAL PRACTICE LIBRARY

XYZ MODEL FINANCIAL ACCOUNTS: PREPARING FINANCIAL STATEMENTS UNDER IFRS AND CANADIAN GAAP

Moore Stephens (Australia) and Dale Matheson Carr-Hilton Labonte LLP (Canada)

This comprehensive new resource is your desktop guide to preparing financial statements under the new mandatory reporting requirements. Authored by an international team of industry specialists experienced in global best practices, it will help you manage the complexities of the new financial reporting.

You gain practical, hands-on assistance with all aspects of the new reporting requirements for all major entity types that require financial reporting under International Financial Reporting Standards (IFRS) or Canadian Generally Accepted Accounting Principles (GAPP) for private companies.

The guide brings you up to date on IFRS implementation with clear explanations, summaries of the current year's changes in reporting requirements, and model sets of accounts that can be used to prepare financial statements for a variety of Canadian entities.

A Wealth of Checklists, Illustrative Models and Precedents

- Extensive commentary on assessing the rules, standards and changes in financial reporting in Canada
- Illustrative examples of all major entity types, including listed public companies and private companies reporting under Canadian GAAP
- Compliance and disclosure checklists to ensure compliance with the requirements of corporate law and National Instruments.

BANKING/FINANCE

THE 2011 ANNOTATED BANK ACT WITH ASSOCIATED REGULATIONS

Guy David and Michèle Legault Dooley

The **2011 Annotated Bank Act with Associated Regulations** is an essential everyday resource for anyone with an interest in the process for incorporating a bank, the rights of bank shareholders, the duties of bank directors and officers, the business of banking, consumer provisions, the ownership and investment rules, capital adequacy requirements, foreign banks or bank holding companies.

- Fully revised and updated to reflect the extensive legislative amendments made to the *Bank Act* following the five-year legislative reviews of 2001 and 2006, the 2003 corporate governance review, and incorporating the Budget 2010 framework for federal credit unions
- Revised, updated and expanded commentaries to the new and amended provisions of the Act including Part VI (governance), Part VII (ownership), Part VIII (business and powers, including consumer provisions) and Part XII (foreign banks), Part XV (bank holding companies) and Part XVIII (electronic documents).
- Commentaries incorporating all associated regulations and rulings, advisories, guidelines and other guidance from the Office of the Superintendent of Financial Institutions, the Department of Finance Canada, the Bank of Canada, the Financial Consumer Agency of Canada and the Competition Bureau.
- Quick and simple summaries of key concepts and recent legislative developments for each part of the Act.
- Summaries of recent case law, including the latest decisions relating to the federal head of power over banking, *Canadian Western Bank v. Alberta* and *Marcotte v. Bank of Montreal*.
- New and expanded commentary on the meaning of "carrying on business in Canada" for foreign banks in Part XII, referencing factors identified by OSFI, the tax courts and the Canada Revenue Agency.
- The most recent versions of regulations made under the *Bank Act*, the *OSFI Act* and the *FCAC Act*.
- A comprehensive table of concordance, comparing the provisions applicable to banks and bank holding companies to the relevant provisions of the *Trust and Loan Companies Act*, the *Insurance Companies Act*, the *Cooperative Credit Associations Act* and the *Canada Business Corporations Act*.

BANKRUPTCY/DEBTOR-CREDITOR

ANNUAL REVIEW OF INSOLVENCY LAW 2010

Dr. Janis P. Sarra, LL.B., LL.M., S.J.D.

The **Annual Review of Insolvency Law 2010** offers a collection of articles from today's experts, both academic and practising. Authors weigh in on the most vital debates, theorize on future implications of current rules and trends, and scrutinize the practical implications of recent proceedings and challenges.

What's New in this Edition

Articles covering a wide range of recent 2010 decisions, and overviews of the legislative changes, including:

- The unique issues that arose in the insolvency proceedings of *Forest and Marine ("F&M")*.
- A review of the practical problems that have surfaced to date resulting from the new protections afforded employees in the event of insolvency, and how these problems are being addressed.
- Comparing the bidding process, the utility of credit bidding and examining the outcomes in the *GM*, *Canwest Media* and *Canwest Publishing* cases.
- An examination of the strengths and weakness of the *Winding-Up and Restructuring Act*.
- An account of the cross-border cooperation that resulted in the formulation of a process for the resolution of the substantive law issue in *Pope & Talbot*.
- Intellectual Property and the *BIA* and the *CCAA*.

Also included in this year's edition is a selection of articles dedicated to the remarkable career of Professor Jacob Ziegel, LL.B. Hons. (London), LL.M., Ph.D., LL.D. (London).

2010 PERSONAL TAX RETURN GUIDE

Paula Ideias

The **2010 Personal Tax Return Guide** provides line-by-line instructions to assist you in completing and filing the 2010 Canadian Personal Tax Return. The Guide is laid out in an easy to follow line-by-line format, with a separate discussion/analysis and reporting instructions for each line of the tax return. There is a "See Also" section for each line of the tax return listing the related sections of the *Income Tax Act* (and Regulations), and relevant Canada Revenue Agency publications, including Interpretation Bulletins, Information Circulars, Income Tax Technical News, tax forms, tax guides and pamphlets. In addition, there are Helpful Hints scattered throughout the Guide that provide additional tax planning information.

The Appendices to the Guide contain useful personal tax reference information to assist you in completing and filing the 2010 Personal Tax Return, including a Medical Expense Quick Reference Table, Canadian and U.S. Personal Tax Compliance Calendars, various Personal Tax Reference Tables and several Tax Planner Guides.

TAXATION OF CORPORATE FINANCE

Lara Friedlander

This looseleaf provides a detailed description of the Canadian federal income taxation regime applicable to shares, corporate debt and related financial instruments. It covers taxation of shares and debt of Canadian corporations and foreign corporations, the specific regime governing "mark-to-market property" and "specified debt obligations" held by financial institutions, securities loans and repurchase agreements and derivatives. The looseleaf also explains general concepts such as distinguishing assets and liabilities held on income and capital account, and determining whether a particular financial instrument is debt, equity or something else.

CORPORATE/COMMERCIAL

THE LAW OF FRAUD AND THE FORENSIC INVESTIGATOR, SECOND EDITION

David Debenham, LL.B., LL.M., MBA, C.F.I., C.F.E., C.M.A., ACIS, DIFA

This book gives lawyers, accountants, internal auditors, and other investigators an in-depth analysis of fraud, as well as the latest tools, techniques, and methods of handling internal or external fraud engagement. It will provide guidance in terms of documenting fraud, preparing evidence, conducting a fraud investigation, and acting as an expert consultant or expert witness in any eventual litigation or proceedings. It represents the latest thinking on each area of the process, written by a commercial litigation lawyer, trained as both a management accountant and forensic investigator, who has been involved in several prominent cases as the head of the fraud recovery team.

DICTIONARIES/DIRECTORIES

THE DICTIONARY OF CANADIAN LAW, FOURTH EDITION

Daphne A. Dukelow, B.Sc., LL.B., LL.M.

Now in its fourth edition, **The Dictionary of Canadian Law** is the comprehensive, time-saving reference created exclusively from Canadian legal sources. Crafted using the same meticulous standards as the world's most trusted dictionaries, this work gives you direct, authoritative access to the law through these features:

- Approximately 31,000 definitions of legal terms in Canadian law drawn from case law, treatises, learned journals and legislation including federal and provincial statutes
- Latin terms and maxims
- Citations of authority for the text, the statutes and general topics
- Cross-references referring the user to more specific applications
- Convenient and handsomely bound single volume format
- Clear layout for ease of use in reference tasks
- Running heads using bold capital letters for quick reference
- Abbreviations integrated into the main work in alphabetical order
- Etymology presented in square brackets, revealing the language of origin of words and phrases.

The 4th Edition contains more than 5,450 new and revised entries, including 1,660 new definitions in Aboriginal, Environmental, Family, Insurance, Intellectual Property, Internet/Computer, Medio-legal and dozens of other areas of law.

The result is the indispensable Canadian legal dictionary that provides judges, lawyers, law students, professors, researchers and business people with a distinct, one-stop reference to Canadian definitions.

EMPLOYMENT/LABOUR

CANADA AND QUEBEC PENSION PLAN AND EMPLOYMENT INSURANCE ACTS: QUICK REFERENCE – 2011 EDITION

Jamie Knight, LL.B., Carla Nassar, LL.B.,
Paula Pettit, J.D.

This Quick Reference provides a useful overview and new insight for employers and employees who have to deal with the somewhat unfamiliar terrain of public pensions and employment insurance, especially where those programs directly intersect with employment situations. The Guide details the history and development of the Canada Pension Plan, how it is administered, and specific information about the types of benefits available as well as the manner and timing of benefit payments. In this newly updated edition, the authors have tried to reflect a more developed view about the state of public pension plans in light of rapid changes to the economy and investment strategies. This edition also includes several chapters designed to assist employers, unions, employees and the self-employed in understanding the *Employment Insurance Act*: Employment Insurance benefits, EI adjudicative process, Record of Employment (ROE), structuring settlements and damages, federal work-sharing program, private pension plans, and the future of Employment Insurance.

ENERGY/NATURAL RESOURCES

ENERGY LAW AND POLICY

Gordon Kaiser

Energy Law and Policy offers a timely, cross-border and multi-disciplinary approach to a broad range of topics in the law and economics of energy policy in Canada and in the United States. The issues covered include the regulatory challenges of conservation and renewable energy, deregulation of markets, time of use pricing, incentive regulation, carbon pricing as well as more traditional subjects such as cost of capital and rate design. The chapters on public utility law, administrative law, and aboriginal duty to consult are an important addition to the literature.

Written by leading energy lawyers and economists, **Energy Law and Policy** provides a comprehensive discussion of the many recent changes in energy policy in Canada and the United States.

This publication is an invaluable reference source for practitioners appearing before regulatory tribunals as well as economists and policymakers.

HUMAN RESOURCES

RECORDS AND INFORMATION MANAGEMENT (FORMERLY: RECORDS RETENTION: LAW AND PRACTICE)

Records and Information Management is a comprehensive guide, designed especially for legal and accounting professionals. It provides a complete reference to the principles and practices of records retention and to the legal obligations of Canadian businesses to retain documents and files. This book deals with a wide range of issues related to retention, accessibility, value, and permissible destruction of business and professional records under federal and provincial statutes.

As part of the **Carswell eReference Library®**, this product is available in an online format, accessible any time from your desktop. Find what you need faster with an interactive search engine that allows you to search full text within the document. Supplements are seamlessly integrated so you're always working with the most current version. It makes billing easier with the unique tracking ability that automatically records research time against client files. You also receive electronic publisher's notes with each new supplement as soon as it's added.

Your Carswell eReference Library subscription includes **free additional passwords** at the same subscription location. To request passwords, please call us at (416) 609-3800 (Toronto/International) or 1-800-387-5164 (Canada/U.S.).

IMMIGRATION

A PRACTICAL GUIDE TO PROVINCIAL NOMINEE PROGRAMS IN CANADIAN IMMIGRATION LAW

Randolph K. Hahn and David Garson

A clear trend in the Canadian immigration law is the increasing role that the provinces and territories have in the selection of prospective immigrants to Canada. Increasingly, immigrants who arrive in Canada do so after being nominated by a province. Attention needs to be paid to the opportunities and possibilities of immigrating to Canada through the various provincial programs. **A Practical Guide to Provincial Nominee Programs in Canadian Immigration Law** provides an overview of provincial nominee programs for those who need to understand what these nominee programs have to offer.

It is important to also understand the practicalities of how various provincial programs work and this book aims to provide that information. Specific and practical information and tips about accessing the provincial programs is included.

INTELLECTUAL PROPERTY

INTELLECTUAL PROPERTY: THE LAW IN CANADA, SECOND EDITION

Daniel J. Gervais and Elizabeth F. Judge

The second edition of **Intellectual Property: The Law in Canada** covers all aspects of intellectual property law in Canada, including copyright, industrial designs, trade-marks and related torts such as misappropriation of personality, patents, confidential information, plant varieties, integrated circuit topographies, international intellectual property, and overlaps between intellectual property rights. This new edition includes extensive analysis of all important recent Canadian cases and their contributions to the developing theory of Canadian intellectual property law, as well as a new chapter on enforcement and jurisdiction, more complete coverage of intellectual property theory and history, an extensive analysis of copyright originality standards and recent proposed copyright reform, and thoroughly reorganized chapters on trade-marks and confidential information.

The authors analyze the leading cases to state the law succinctly and highlight emerging issues and continuing controversies, especially those raised by new technologies. Written in an innovative style that blends the advantage of treatise and casebook, **Intellectual Property: The Law in Canada, Second Edition**, blends the advantages of treatise and casebook and is a definitive resource for both practitioner and student. For instructors of intellectual property law, the authors include many teaching materials, which accent issues raised by new technologies, such as peer-to-peer file sharing, internet service provider liability, traditional knowledge, biotechnology, domain names, and protection of image and of fictional characters. Each chapter contains an extensive set of discussion questions to facilitate class discussion and for practice by student study groups. Sample examination questions are also provided.

OCCUPATIONAL HEALTH & SAFETY

POCKET ONTARIO OH&S ACT & REGULATIONS 2011 – CONSOLIDATED EDITION

This convenient publication contains the complete and current *Occupational Health & Safety Act* and regulations.

This publication also features a comprehensive index with page references, a detailed Table of Contents, and a list of OH&S information resources. This makes it ideal for quick and precise referencing when and where you need it. It is ideal for use in all Ontario firms and organizations in the industrial, manufacturing, health care and construction sectors, as well as in offices and certain other institutions covered by the OH&S Act.

New This Year

- Control of Exposure to Biological or Chemical Agents – O. Reg. 419/10 replaces Table 1 – Exposure Limits.
- Designated Substance – Asbestos on Construction Projects and in Buildings and Repair Operations – O. Reg. 479/10 exempts firefighters and investigators from this regulation when conducting fire suppression, rescue or investigation. O. Reg. 422/10 repeals a transitional provision for the ongoing management of asbestos in buildings.
- Designated Substances – O. Reg. 259/10 replaces Table 1 – Exposure Limits.
- Firefighters – Protective Equipment – O. Reg. 480/10 sets standards for structural firefighting protective garments.
- Health Care and Residential Facilities – O. Reg. 94/10 and S.O. 2007, c. 8, s. 221 (in force July 1, 2010) incorporate references to long-term care homes.
- Industrial Establishments – O. Reg. 420/10 repeals Form 1 and makes technical amendments to language.
- Oil and Gas – O. Reg. 421/10 amends sections dealing with lifting devices and explosives and makes technical amendments to language.
- Training Requirements for Certain Skill Sets and Trades – O. Reg. 485/10 references two new branches of the sheet metal worker trade.

MOTOR VEHICLE LAW/ DRIVING OFFENCES

MOTOR VEHICLE LAW IN BRITISH COLUMBIA

Peter H. Eccles

Derived from the Canadian Encyclopedic Digest, **Motor Vehicle Law in British Columbia** is an easy-to-understand treatment of highway traffic and motor vehicle law in British Columbia. It features digests of all important decisions in motor vehicle law from the province and references to key decisions across the country. It includes cases on *Criminal Code* motor vehicle offences including alcohol-related offences and *Canadian Charter of Rights and Freedoms* defences, *Traffic Safety Act* offences, civil actions relating to motor vehicles, accident reporting, rules of the road, insurance requirements, registration and licensing issues and more. Also included is the full text of the British Columbia *Traffic Safety Act*, and all Regulations under the Act.

CANADIAN RESOURCE TAXATION

Brian R. Carr, B.Sc., LL.B., and Anne Calverley

In an area that is constantly changing, you can't afford to leave anything to chance. That's why you need to keep this authoritative "resource" close at hand. In one convenient volume you get the straight answers on tax planning and compliance for the mining, and oil and gas resource sectors quickly and easily. The book discusses in detail the various expenses relating to resource taxation and the calculation of income and the claiming of deductions. It covers significant taxation areas such as flow-through shares and successor corporation rules.

The handy table of cases, statutes key, and index are designed to provide you with reference tools to easily find the information you need.

Contents include:

- Table of Cases
- Table of Statutes
- The Statutory Scheme
- Summary of Definitions and Terms
- Taxation of Resource Revenues
- Deduction of Expenditures
- Depletion and Other Allowances
- Resource Allowance
- Successor Corporation Rules

TAX LITIGATION LIBRARY

PORTABLE TAX COURT PRACTICE, ACT AND RULES 2011

Robert McMechan, B.A., LL.B., LL.M. and
Gordon Bourgard, LL.B., LL.M.

Portable Tax Court Practice, Act and Rules 2011 is a handbook containing the Act, the Rules and Practice Notes, in a portable version, which will be easy to take to court. Used by tax litigators, this publication provides the rules on how to litigate in Tax Court and is an accompaniment to the **Tax Court Practice** looseleaf edition.

Key Features:

- *Tax Court of Canada Act* and rules
- Quick Reference tool to use in Tax Court
- Easy to carry
- Easy to use tabs indicating statute, rules, and practice information

Current subscribers to **Tax Court Practice**, the looseleaf edition, will receive this book at no cost with the next release.

TORTS

PRODUCTS LIABILITY, FIFTH EDITION

Stephen M. Waddams, B.A., M.A., Ph.D., LL.B., LL.M.,
S.J.D., F.R.S.C.

Products liability raises legal questions of great theoretical and of growing practical importance, especially in view of the legislation in several provinces facilitating class proceedings. The subject cuts across several legal categories, involving concepts of negligence, strict liability, warranty and public policy. This book by renowned legal scholar Stephen M. Waddams, examines these concepts and their practical application in their historical context, considers their development in other jurisdictions, and sets out the current state of Canadian law.

This new edition of a very well-recognized book addresses developments in relation to class actions, punitive damages, restitutionary damages, causation, and economic loss.

Products Liability, Fifth Edition will be useful for academics and indispensable for practitioners in the field.

Satisfaction Guarantee

If you are not completely satisfied with any Carswell electronic or print product, simply return the invoice, along with any material received (in resaleable condition), within 30 days of the invoice date.

STANDING ORDER/SUBSCRIPTION TERMS

Carswell offers a wide range of electronic and print products for legal, tax, and business professionals. Products distributed by, but not published by Carswell, fall within the terms and conditions of sale of the specific publisher.

ANNUAL AND PERIODICAL SUBSCRIPTIONS

Unless otherwise instructed at the time of the order, purchasers are automatically placed on subscription and automatically renewed and invoiced for subsequent subscription periods. A shipping and handling charge is included on the renewal invoices to cover costs involved in the delivery of the updates/parts over the subscription period.

BOUND BOOKS

Unless otherwise instructed at the time of the order, we place purchasers of bound books on **standing order** to automatically receive replacement annual or biennial editions and supplemental material. If a new annual or biennial edition is published **within 60 days** of purchasing the prior edition, the new edition is supplied at no charge. Customers have the option of requesting to be placed on **advise** status for notification when new editions are published. *This policy is limited to single copy purchases and does not apply to bulk copy orders.*

SUPPLEMENTED BOOKS/SERVICES

Purchasers are automatically placed on subscription for upkeep supplements. Supplements are invoiced as published – free if issued within 60 days of purchasing the supplemented book or service. Expansion volumes are invoiced as issued, regardless of the date the main work was purchased.

PAYMENT TERMS

All invoices are due and payable to Carswell within 30 days of the invoice date unless otherwise noted on the invoice or agreed to in writing. A late payment fee of 1.5% per month is charged on all invoices beyond terms. You may pay by major credit card, cheque or money order.

If you require general information regarding a missing or damaged shipment, the status of an order/subscription or the cost of reinstating a cancelled subscription, please call Customer Relations (Monday to Friday 8:30 a.m. to 5:30 p.m. Eastern Time) at the numbers listed.

Prices are stated in Canadian funds. Customers outside Canada will be invoiced in equivalent U.S. funds. Prices subject to change without notice and subject to applicable taxes. Shipping and handling are extra.
